**ERRATA**

TO: ALL COUNTY WELFARE DIRECTORS  
ALL CHIEF PROBATION OFFICERS

SUBJECT: CORRECTION TO ALL COUNTY LETTER 07-09 (IMPLEMENTATION  
OF ASSEMBLY BILL 1633)

The purpose of this Erratum is to provide a revision to All County Letter (ACL) 07-09, dated February 6, 2007. On page one of ACL 07-09, the ACL indicates that an 18 year old foster youth could be participating in a General Educational Development (GED) program on a less than full time basis and still meet Aid to Families with Dependent Children-Foster Care (AFDC-FC) requirements. This information is inaccurate; a youth must be participating in the GED program full time. As always, pursuant to Eligibility and Assistance Standards (EAS) Manual, Section 45-201.111(b)(3) and All County Letter 89-42, full time attendance is to be verified by the County Welfare Department (CWD). Full-time enrollment is defined by the school or program. It is not the duty or function of the CWD to check on the school's or program's standards or definitions in this area. The CWD must only verify that the child is enrolled on a full-time basis, and remains so enrolled. The remainder of the information regarding GED participation is accurate.
